

Mandukya Upanishad, Class 10

In the seventh mantra the Upanishads is talking about thuriya pada, which is consciousness not associated with any other padhas and looked at its own stand point. The first three padhas are divided into subject object duality. But in thuriyam, it does not have pramadha premaya duality. Thuriyum is neither pramdaha knower and premayam the knowable.

Thuriyum is neither a kower and a knowable object. If Thuriyum is neither the subject nor the object, then what is it? It is apremayam. Not only it is can't be grasped by the sense organs, it can't be grasped by karmandhryam – hand etc.

The seventh mantra can be divided into three portions:

1. Thuriyum is different from the three knowers obtained in waking, dream and sleep.
2. Thuriyum is different from the three worlds obtained in the three stage.
3. Thuriyum is in and through all the three padha.

Thuriyum is achindhyam, inconceivable, unimaginable, incomprehensible. The witness of all the concepts can't be conceived.

Thiryum is avyapadesyam, not describable; beyond verbal description. however, Upanishads have been describing what can't be described. That is strengthened by the communications between guru and sishya.

Thuriyum is avyvahariyam, beyond all transactions; non-empirical; absolute. Because all our transactions are either through gyanedhriyam in the form of perception, or through karmendrayam in the form of handling etc. Thuriyum is beyond karmendreyam and gyanendrayam; thuriyum is beyond time and space because whatever falls within time and space, is available for transactions.

In the third part, the Upanishads positively defines thuriyum: It is pure consciousness, which has to be traced through atma prathyayaha – through the experience in the form of I, which we experience all the time. Thuriyum has to be traced through, atma pragyaha, I cognition, which is one continuous principle. There is one changeless I among all the experiences of life. By studying that I we should understand thuriyum.

The continuous I experience indicates, that I am a conscious entity continuously present throughout my life. Experiences of life like happiness, sad etc. are not continuous conditions. Therefore, they can't be my real nature. The attributes like happy, sad, young, old etc. are subject to arrival and departure and the only continuous entity is that I am a consciousness being. I am something minus that something is thuriyum. Drop the non-continuous attribute part and own up to the consciousness part. When you drop attribute, you are neither a waker, nor a dreamer or a sleeper but chaithanyam.

Prabanjoba samam: Prabanja means the three-universe obtained in the three pada; sthula prabajna, sukshama prabanja and karana prabanja. Thuriyum is free from these three prabanja. Consciousness is ever without the universe; free from matter; never associated with the material world. That means there is no universe at all. This word is negating the first three padhas. To understand this, you should remember two laws:

1. Anything that is existent can't be negated. Whatever is sat can't be negated.
2. What is nonexistent need not be negated

Whatever is negated can't be sat (existent) or asat (non-existent) category. With this the vedas is negating the world. Therefore, the Upanishads says that the world is different than sat and asat or mithya category. What is different than existent and nonexistent: That will come under

the third category like our dream; dream does not come under existent or non-existent category, but it comes under seemingly existent category. This unique category is called mithya. According to vedas, this universe is unreal, seemingly existent but it is not. Whatever is unreal or seemingly existent, can't be counted even though we experience it. The first three padhas are not real and therefore can't be counted, thuriyum is the only padha countable, thuriyum is ekam – it is non dual, advaidam, principle. Consciousness alone exist, matter is unreal and therefore can't be counted.

Advaidam is the next word occurring in this mantra. The entire third chapter is attributed to this word – Advaidam.

If consciousness is only one, why do we call it thuriyum? The Upanishads say that ignorant people wrongly think that consciousness is the fourth entity. Thuriyum is undisturbed by the material world so it is shantham and ananda swaroopam; This thuriyum alone is the real atma.

Baghawat Geeta, Class 130: Chapter 10, Verses 8 to 12

Shloka # 8:

[illegible]

**"I am the source of all things; all things proceed from Me",
so holding with deep loyalty to truth, the wise adore Me.**

Continuing his teaching Swamiji said, after giving an introduction in the first three shlokas, God is presented as

Ishwara Swarupam in shlokas 4-7. In Ishwara swarupam Sri Krishna says God is the intelligent and material cause of creation, meaning god has evolved into Universe. God had no external material available to create, so even the raw material is a part of his own self; thus God evolved into the universe. So what I see in universe is manifestation of God.

I need not put forth separate effort to have the darshan of the Lord. When I have got ornaments in my hand, I need not put forth separate effort to have the darshanam of the gold, because, the very ornament that I am handling, is the manifestation of gold. Gold darshanam does not require separate effort. Similarly when I have furniture in my hand, in front of me, I know that the wood alone is manifesting in the form of furniture, which means I need not put forth separate effort for wood darshanam, because the furniture darshanam, is itself wood darshanam.

Karya darshanam is always karana darshanam; because there is no karyam other than the karanam. And therefore for that person who has this wisdom, he does not feel like closing the eyes for getting the darshanam of the Lord.

Until we get this wisdom, we think Lord is somewhere else seated and I have to do tapas for the darshanam of the Lord; but once I have this wisdom, I know I need not close my eyes to have Ishvara darshanam. Whatever I am seeing is Ishvara alone; When I see bangle, I am seeing gold; when I am seeing ring, I am seeing gold similarly whatever I am seeing is Ishvara darshanam.

Once I have this wisdom I don't have to close my eyes; every thing I see is God. This appreciation of God is called virat bhakti or vishwa rupa bhakti.

And for such a vishwa rupa bhaktha; a temple is not required for invoking devotion; an immature mind, an uninformed mind, a scripturally illiterate mind requires a temple to invoke

devotion; but for a vishva rupa bhaktha, whatever he sees can invoke devotion. And in fact, he will become the greatest karma yogi because, whatever experience comes from any part of the world, is an experience given by the Lord alone, because there is no world other than God. And therefore Sri Krishna talked about or is still talking about the virat bhaktha from verse No.8 up to verse No.11.

Virat Bhakta:

How does he look at world? He sees world as manifestation of God; he sees every experience as coming from God. “ I am source of every experience, sukham, dukham, labha alabha, jaya parajaya, mana apamana; all pairs of opposites, they are all coming from the Lord alone; with this awareness, they receive every experience and therefore they have no question or resistance with regard to any experience.

This non-resistance to experiences is called prasada buddhi; and this nonresistance is the healthiest attitude because, whatever experience arrives is a choiceless situation. With regard to future I can try to change the experiences; but with regard to the present, I can never change the experiences because it has already arrived. Therefore past is choiceless; present is also choiceless; we have a choice only with regard to future. At this moment you are in this room; you have no choice; but next minute, whether you are going to continue to sit here or walk out is your choice; future, there is choice; past there is no choice; it has arrived and gone; present also no choice; because it has arrived.

These bhaktas are informed people who realize that whole creation is a manifestation of God. They may not know the Nirguna Ishwara but vishwa rupa they know.

They are soaked in devotion. They know all glories in universe belong to God. All extraordinary capabilities are the glory of God. Devotion and appreciation is there in their every

experience. Citing story of an astronaut who saw the earth from the moon and wrote: “....and it came back loud and clear; there is no question in my mind that there is a creator of the universe; when you go to the moon, you have no other choice, than to believe in a creator; there is no other explanation”.

On the moon you believe in a creator. Did all this distract me from my work? Not really, you still want to steal a look at the earth and everything around you; What he says is: To appreciate God you need not drop your duties and work; if only you have a sensitive mind; even when you see a small ant or when you read the book sometime there will be a very, very, small insect running inside the book; I do

not know whether you have seen that; it would of the size of the tip of the needle; In fact, you cannot even brush it, because it will die; it is so small; now that small insect has got a mind, and it knows how to survive; how to procreate; how to eat; and if you put a hand in front of it, it will run away; within that dot, everything is available; Looking at that insect you can wonder at the glory of the Lord; Looking at a rose you can appreciate the Lord; Looking at the sky, you can appreciate the Lord; **virat bhakthi does not require dropping your career or profession; it requires only a sensitized and informed mind;**

Sri Krishna now describes such a mind. They want to talk of higher things alone.

Shloka # 9:

ममैकमेवमनसो भक्त्यैकमेवमनसो भक्त्यैकमेवमनसो
ममैकमेवमनसो भक्त्यैकमेवमनसो भक्त्यैकमेवमनसो 10.9

With minds fixed on Me, life surrendered to Me, enlightening one another, speaking (only of Me), they find contentment always and rejoice.

Virat bhakta sees God in all experiences.

Physical eye will report only physical matter; like that

astronaut; His eyes saw only the earth; but his sensitive mind saw the Lord. Seeing is not the physical perception; but through the eye of maturity; through the eye of wisdom, he was able to discern the invisible organizing coordinating intelligent harmonizing principle. So thus for a bhaktha; God vision is not at a particular time; but at all the time; and therefore their mind is always fixed on Me; they cannot lose sight of Me; and their sense organs also fixed on Me. If they talk, it is also about Me by sharing their divine experiences. They even educate their children to see what can be seen by a wise mind. So education should be 'elevating the mind to see what is not physically perceptible, but what can be appreciated by only a mature mind'.

Citing story of wife of a scientist she was crying and told him don't you see my tears? He said I do see the Sodium Chloride with water coming down your eyes. He could not see the emotion behind her tears. Similarly God is discerned not physically analyzed and arrived at. And therefore **education is giving that mind which will discern the invisible God, behind the physical universe.**

Because of their view of the world, they enjoy all the time. Advantage of this is that in this appreciation there is fulfillment. In family front, there may be failures; and in professional front there may be failures; but as long this appreciation is there, you never look upon your life as a failure; this will make the life a success; even if there are failures in other fronts; and therefore there is fulfillment, that I am able to appreciate the Lord.

They revel in appreciation that they have a sensitive mind to appreciate.

Shloka # 10:

□□□□ □□□□□□□□□□ □□□□ □□□□□□□□□□□□

To them who are uninterruptedly united with Me and who lovingly adore Me, I grant that intellectual union by which they draw nigh to Me.

These bhaktas are ever connected to Me. Thus, a wave in ocean is related to ocean alone; it is born, it rests and it goes back into ocean alone; it is a fundamental relationship. Neighboring wave loves this wave. They marry and have family. But relationship between wave and another wave is incidental, while relationship between wave and ocean is fundamental. In life, other beings are like other waves. But my most sacred relationship is with god and it is forever.

A virat bhaktha is one who has understood that I am like a wave and Lord is like the ocean; and all the other human beings are like other waves only; So I while I may have several human relationships that are sacred but much more profound, much more sacred, much more fundamental; and much more universal is my relationship with the Lord. The human relationships can last for one lifetime. In the next life, same relationships may not exist. We don't even know if we will be born as a human being in next birth. So therefore even the most sacred human relationship can last for only one life. So much more sacred is my relationship with the Lord; It does not mean we have to discard or disregard human relationship; but what scriptures say is human relationship should never be at the cost of relationship with the Lord; therefore that relationship should be revived through regular prayers; I should pray; Oh Lord! Let me not forget my relationship with you in my preoccupation with the incidental relationships.

Virat bhakta has a Tampura shruti playing all the time behind him. He will not go out of it. Thus, Ishwara sambandha is his background Sruti, hence called Satat Yukta; one who never forgets relationship with god. Devotion can't be forced; it has to be known only by knowledge. Love can only be born of

understanding and in no other way. You discover love due to understanding. The more you study scriptures the more you understand and the more you love.

There are several levels of Bhakti. Initially I look upon God as a means for worldly ends; it is business love; love used as a means of give and take, the lowest form of Bhakti. This is usually associated with manda bhaktas.

The next one is learning to look upon God as an end in itself; because God represents purnatvam; and once I know that purnatvam, I understand that my goal of life is self-fulfillment; self-sufficiency; and this is called madhyama bhakthi; and that is the bhakthi that these people enjoy, so they look upon the God as the goal itself.

Bhagavan says: For such people, I will help them; how will I help them. He does so by taking them to next stage, From Eka Rupa to Aneka Rupa to Arupa Ishwara. How to reach there? Only by Gyana Yoga. Sri Krishna says I will promote them to Budhi Yoga or Gyana yoga. Budhi here means Gyanam. This is where Vedanta sravanam, mananam, and nidhidhyasanam takes place. Through Gyana yoga they reach the ultimate Me; the nirguna Brahman. Sri Krishna says I will provide a Guru if required, as well as the shastra, as well. This will convert you to Nirguna Gyani.

Shloka # 11:

[illegible]

Moved by compassion for those (devotees) and dwelling in their mental states, with the lustrous flame of knowledge, I destroy the darkness of ignorance.

Sri Krishna says I will light the lamp of wisdom in Viral Bhakta. This Gyanam will result in arupa ishwara gyanam or advaita gyanam. How can Sri Krishna light this lamp? Lighting

lamp of knowledge is only possible through teaching. How long to teach? Until consistently systematically student understands the subject and all his doubts are removed. If a guru is not available God himself comes as guru, even as he did with Arjuna. All this he did due to his compassion. Anukampa means compassion.

What type of light is lit? Initially the flame is feeble; so you must protect it; then later you must fan it so that it conflagarates. At Sravanam the lamp is lit; one should not stop at sravanam, as the flame is still weak. It is strengthened by mananam and nidhidhyasanam.

By wisdom I will remove internal ignorance. Internal ignorance is evident in gloom on face of a person; it will go away and the face will bloom with joy.

Virat Bhakta will become a Brahma Gyani without which no moksha is possible. If you surrender to Lord, he will provide the way to knowledge. He becomes a Gyani with support of God.

Shloka # 12:

श्रीकृष्ण उवाच

यत्किञ्चिद्विदुर्वाच्यं तद्विदुर्वाच्यं तद्विदुर्वाच्यं

तद्विदुर्वाच्यं तद्विदुर्वाच्यं तद्विदुर्वाच्यं तद्विदुर्वाच्यं10.12

Arjuna now spoke.

Sri Krishna has talked about Ishwara swarupam, vishwa rupa bhakti or Virat bhakti and benefit of this bhakti, which is Brahma Gyanam. This Gyanam will lead to Moksha. With this his teaching is over. But now Arjuna raises some questions. From Shlokas # 12-# 18, the questions are raised, all based on Sri Krishna's earlier comments in this chapter.

Sri Krishna said, "I am the cause of this universe. So, every glory is my glory. My glory manifests in every object." Arjuna wants to know more about this divine glory, also known as

Vibhuti. Arjuna wants details of Vibhuti.

Therefore Arjuna says: Originally you are Param Brahma; not only that Param Dhama as well, and you are the supreme light of consciousness. So dhama has the meaning of light also; dhama means abode also; both meanings are OK. You are the abode of the whole universe or you are the light of consciousness, chaitanya

svarupah.

You are most sacred, Parama Pavitram. Anything becomes holy due to association with God. A building is not holy, but once an idol is installed God's holiness comes to building as well.

Even a saint is holy because of discovering Lord in himself. A fruit from a shop is just eaten while the same fruit from a puja, one places on both eyes due to its holiness that comes from God.

Parama pavitram means Lord is holy

Pursuhaha means you are indweller of human body, the sakshat chaitanyam

Shashvat means Eternal one; one who never dies.

Thus Arjuna gives a wonderful description of Ishvara to please Lord Krishna, because he is going to ask him for a favour.

Take away:

This non-resistance to experiences is called prasada buddhi.

Virat bhakthi does not require dropping your career or profession; it requires only a sensitized and informed mind.

Education is giving that mind which will discern the invisible God, behind the physical universe.

With Best Wishes,

Mandukya Upanishad, Class 9

Karika # 9:

□□□□□□ □□□□□□□□□□□□ □□□□□□□□□□ □□□□ □
□□□□□□□□ □□□□□□□□□□□□□□□□□□ □□ □□□□□□ □ □□

Others think that the world is being created for the purpose of God's enjoyment, while others still attribute it to a mere play of the Lord. But it is the very nature of the effulgent Being, the Atman; for what desire is possible for Him, whose desires are always in a state of perfect fulfillment?

Swamiji said Gaudapada concludes his analysis of first six mantras with Karika # 9. Here the first three padas were described as:

First Pada: is Sthula Atma in Jagrit avastha

Second Pada: is Sukshma atma in Swapna avastha

Third Pada: is Karana atma in Sushupti avastha.

Each of them is nothing but conscious principle associated with nama and rupa. Sthula atma is associated with Sthula nama rupa; Sukshma atma is associated with Sukshma nama rupa and Karana atma is associated with Karana nama rupa.

Each is divided into knower and known principle. Sthula atma has sthula parapancha, Sukshma atma has Sukshma prapancha and

Karana atma has Karana prapancha. Each atma is a mixture of knower and known pairs. The three pairs constitute the three padas. Now we enter the fourth pada, the Turiya atma. We will also now enter the mantra # 7. So from karika # 9 we are now entering mantra # 7.

Mantra # 7:

This mantra defines Turiya atma. Knowledge of Turiya can liberate a person from samsara. The knowledge of the three padas can't give us liberation. This mantra is the most significant mantra of Mandukya Upanishad as well as entire Upanishadic literature. As we dwell on mantra # 7 more and more, we will appreciate it better. Guadapada has written over 200 verses on this mantra. It is called Turiya lakshanam. The mantra itself does not mention the word Turiya; it uses the word Chaturtham or the fourth pada.

With respect to Turiya atma there is a misconception. We will remove the misconception first then come to conception. First pada is associated with waking state. Second pada with dream state and third pada with sleep state of experiences.

The common feature among padas is the association with a state of experience. Therefore for the fourth pada also we assume it is associated with a fourth state of experience. So people have inserted a fourth state to connect with fourth pada. They have given it a name called Turiya pada as the fourth pada.

Once this misconception has come up the corollary is that Turiya pada is now available only in Turiya avastha. Therefore, they conclude, during Vedantic study we can never know Turiya pada as we are in jagrat avastha during the study. So confused people conclude that during Vedantic sravanam we can only learn about Prathama pada alone; they feel they should work for Turiya avastha or Samadhi; and there are many types of Samadhi as well. These words have however no connection to Vedanta. We have to drop this misconception

right now.

Mandukya Upanishad does not talk of Turiya avastha. It talks of jagrat, swapna and sushupti avasthas via usage of words Jagrat sthana, Swapna sthana and Karana sthana. A Turiya sthana or a fourth state is, however, not mentioned at all.

Then what does Upanishad say? It says Turiya is different from first three padas of Vishwa, Taijasa and Pragya. It is in and through all the three padas. Therefore, since Turiya is through all three padas wherever Vishwa is available Turiya is also available; it is same with Taijasa and Pragya as well. So, it obtains in all three avasthas. Turiya coexists with all three states. Each state may come and go but Turiya remains. Thus Turiya never comes and goes in any state; it is available in all states of experience.

To understand that Turiya is different from all three states, we can take example of golden bangle, chain and ring. Gold is not different from bangle, chain and ring. It is identical to all of them. Bangle is not equated to gold; as bangle comes and goes; but gold does not come and go. So it is with chain and ring as well.

So gold is different from bangle, chain and ring; but don't search for it outside; it is in and through all three of them. **How then to comprehend the gold; we see it by seeing the gold as a part of all three. The intellect filters out the name and form of chain, bangle and ring and we see only gold.**

Here we see gold is coexisting in chain, bangle and ring. So here gold is the fourth entity. It really is not away from the three; it is in and through all three although different from them.

Similarly, Turiyam is different from Waker but is in and through Waker. Turiyam is different from dreamer but in and through dreamer; Turiyam is different from sleeper but in and through sleeper as well.

When I say I am the waker, sleeper, and dreamer, what is it that is in and through all three states? The common factor is “ I am”, the shudha chaitanyam; all others are incidental states such as, “I am father; I am happy”, etc. Here the “I am”, is Turiyam. It is there even after waker goes away. It is there even after dreamer goes away; it is there even after sleeper goes away. The “er” in dreamer, sleeper and waker is the common principle; Waking, dreaming, sleeping are not. This is thrust of mantra.

For all three padas; each pada has a pair; a Pramatha (knower) and Prameya (known). Turiya is different from the three pramathas of Jagrit, sushupti and swapna; the three knowers, that is the waker, dreamer and sleeper. Similarly there is a Prameyam. Turiyam is different from the three pramathas and the three prameyas, the three states of Sthula prapancha, svapna prapancha and karana prapancha. It is different from all three states but it is also in and through all three states.

Thus, seventh mantra can be divided into three parts:

First part: is Turiyam and it is different from the three knowers. In shloka it is described from “naanta to Na prgyam”.

Second part: Turiyam is different from three prameyams. In shloka it is described from “adrishtam to avyaya”.

Third part: Even though Turiya is different, it is in and through all three states. It is the adishtanam. In shloka it is described from “Eka atma to end”.

Thus, Turiyam is both transcendental and immanent. Transcendental here alludes to the gold that is different from bangle, chain and ring. Immanent alludes to the fact that It is in and through all three states.

“ I am that Turiyam”, one who knows this, he is free here and now. So all our struggles are to reach this state.

Describing the meaning of words in mantra swamiji said:

Bahishpragyam: means the Waker, the jagrat pramatha, the knower in waking state, turned extrovert. Turiyam is not bahishpragyam, not the waker I, not the prathama pada.

Nanta Pragyam was in mantra #4 as well. It means dreamer I turned inwards. Turiyam is not nantapragya, the dreamer I; nor Pragyandhanam, nor sleeper I, nor svapna Pramatha; the knower I in sleep state. Turiyam is none of them.

Na Ubhayataha Pragyam means intermediary experiencer. Intermediary state is one before you go to sleep; you are sleepy but are also awake; not total sleeper nor total waker; or upon waking, in morning you are still sleepy. It is at this time that you get ESP experience, paranormal state of experience. Turiyam is different from these intermediary states as well.

Na Pragyaha, means the all knower or God. Turiyam is not even the Knower of all. The only thing that does not meet all these conditions can only be an inert stone. But Upanishad says it is not an inert principle; It is consciousness without being a Knower.

Thus all Pramatas are negated. With this part 1 is over.

Prameya Trayam: It is not an object of experience. It is Aparameyam. To reveal this Upanishad says it is not an object of any instrument of knowledge. Sarva Pramaha agochara. Pramanam means instrument of knowledge. It is not an eye, or sense organ or adrishtam, pancha indriya agocharam or Pratyaksha Pramana agocharam (not accessible).

If someone says I saw Brahman he has experienced some experience; but Vedanta says that experience is not the ultimate reality. If you saw, if you heard, it is not true.

Agraahyam: It cant be grasped by pancha karmendriyas; touch,

smell, see....); if it is, it can't be ultimate truth. Any bhagavat darshanam of any bhakta we don't question it but Vedanta says it is not the ultimate.

Alakshanam: Lakshanam means inferring through clue. Smoke without seeing fire. Smoke is Lakshanam. Turiyam is Alakshanam; it can't be known from clues.

With Best Wishes,

Ram Ramaswamy

Baghawat Geeta, Class 130: Chapter 10, Verses 4 to 10

Shloka 4 and 5:

Intelligence, knowledge, non-delusion, endurance,
truthfulness, sense control, mind control, pleasure, pain,
being, non-being, fear and fearlessness.10.4

Non-violence, equanimity, contentment, penance, charity,
renown, ill-fame—from Me alone these manifold states accrue to

10.5

all beings.

Swamiji said we have entered chapter # 10 with the first three shlokas. Sri Krishna is introducing subject of Ishwara swarupam or nature of god. This is topic from Ch. # 7 onwards. First six chapters were about Jiva Swarupam. From Ch. # 7 onwards it is Ishwara swarupam that continues till Ch. # 10. In first three shlokas Sri Krishna talked about glory of Ishwara Swarupam. In shlokas 4 and 5 he has entered into topic of nature of God. God is defined as cause of the universe or jagat karanam.

And this jagat karanam status of the Lord itself is explained in the scriptures in three different ways, depending upon the intellectual level of the student. Jagat karanam explanation level No.1; jagat karanam explanation level No.2; jagat karanam explanation level No.3; This explanation will depend upon the intellectual caliber of the listener.

Level # 1:

Nimitha Karana Ishwara

God is creator of universe. He is omniscient, omnipotent creator who creates the creation. Here we imagine a creator like a jewel smith or a mason, an intelligent creator, as a person. Scriptures give many examples to support this; thus the four heads of god indicate a lot of knowledge and omniscience. This is an initial introduction to creator.

Level 2:

Parinami upadana karana Ishwara

If god is creator what raw material did he use? A carpenter needs wood; a mason needs cement etc. Here scriptures say god alone was there in the beginning. There was no " outside material" for him to use. As Creator, God finds raw materials in himself. So Lord himself evolves into universe. It is just

like a seed evolves into a tree or as gold manifests itself as a chain. Now we say God himself evolves into universe or Lord manifests himself as Samsara. This is second level for the slightly advanced intellect. After being in madhyama budhi for some time he then evolves to level three.

Level Three:

Vivārtha upādāna kāraṇa īśhwara

Since Lord is infinite and beyond time and space, there is no question of the Lord becoming the Universe. Because the language of becoming indicates transformation and transformation indicates limitation by time, since God is desha kala atithah, there is no possibility of Lord transforming into the universe; then what happens; Lord remaining changeless; the Lord appears as the universe: without really undergoing transformation, retaining his absolute nature, the Lord appears as this world, Just as we, at the time of dreaming, continue to remain as the waker on the bed, but in the dream, our mind gets transformed into the dream-time, the dream-space, the dream-object, the dream-transaction; the dream-nightmares, the dream-festivals; all are the waker himself who transforms without really undergoing any change.

So, I, the waker seemingly transform into dream and when I wake up the dream world gets resolved.

Just as I continue to remain as waker, and seemingly become pluralistic, transact, enjoy or suffer the dream, and when I wake up what happens, the whole dream world is resolved. And again I can project another dream world and again I can resolve. Even if hundreds of dreams I project and resolve, I continue to remain an undisturbed, untransformed and undestroyed individual,

So also God appears as world or Vivarta Upadana karanam Ishwara. Now in this chapter Sri Krishna is talking of a Level

2 Sadhaka. "I" evolve into universe; the internal universe of thoughts and external universe of objects both arise out of Me, says Sri Krishna. I alone become everything.

Shloka # 6:

सप्तर्षयः सप्तः सप्तर्षयः सप्तर्षयः सप्तर्षयः
सप्तर्षयः सप्तर्षयः सप्तर्षयः सप्तर्षयः सप्तर्षयः सप्तर्षयः सप्तर्षयः 10.6

The seven great seers, the first four, and also the Manus were mind-born, endowed with My powers. These beings are their progeny.

Creation of external world is being discussed.

First seven rishis, Sapta Rishis, came, and they belonged to the Grihastha paramapara. Four other Rishis, Sanakadi Rishis, came after that though they followed the Sanyasi paramapara. As per scriptures seven rishis were:

Atri, Bhrgu, Kutsa, Vasishta, Gautama, Kashyapa and Angirasa.

Brahmaji came from Vishnu. Brahmaji, created, by his sankalpa, the manas putra. How to create by sankalpa? It is just as we create a dream world by our sankalpa or visualization.

The first four Rishi were: Sanaka; Sananta, Sanatkumar; and Sanat Sujatha.

As per Brahmaji's desire these four Rishis were expected to get married and beget more children. But they followed Brahmacharyam. Brahmaji was angry with them, which resulted in the Rudras. So, he created seven more Rishis; he also created the 14 Manus; each Manu presides over a manvantara. 71 manvantaras equal one Yuga. So far six manus have gone. We are in the seventh manvatara period presided by Vivasthaha. We are in 28th Chatur Yuga. That is why we are called manushya.

How was it created? It was born out of sankalpa of Brahmaji; each of them (manu's) has same nature as of Brahmaji. We are

also “ Aham Brahmasmi mat bhava”. Matbhava means nature; another meaning is devotion to Me. Out of 14 manus later human beings were born.

Shloka # 7:

ॐ नमो भगवते वासुदेवाय ॥ ॐ नमो भगवते वासुदेवाय ॥
ॐ नमो भगवते वासुदेवाय ॥ ॐ नमो भगवते वासुदेवाय ॥ 10.7 ॥

Whoso knows this vast power and Yoga of Mine truly, will be endowed with the steady state of integration; there is no doubt about this.

In previous shloka it said Lord has potential (Shakti) to manifest as universe. This power of manifestation is called Maya Shakti or Yoga Shakti. Potential power is Maya. Potential power is dormant as such it is invisible. Butter in milk is not visible but we have to churn it out. This is Ishwara Yoga. Once potential manifests or becomes visible it is called Vibhuti (potential is hidden kinetic energy activated). So, seed becomes tree. **Visible version of power is called Vibhuti; unmanifest is called Yoga.**

My lecture is in my mind, invisible. Now when I am talking, potential becomes word, manifests itself as Vibhuti for many. Thus, Shakaracahrya's Bhashyam we read is Vibhuti. Universe we see is Vibhuti. At time of Pralaya everything is in potential form hence known as Yoga Nidra.

Thus, I have both potential and visible energy. Suppose a devotee knows this glory, for him god is not in Vaikunta rather for him god is everywhere. “ God is nowhere”, said the atheist. Someone changed it to. “God is now here”. This is virat Ishwara darshanam; aneka rupa Darshanam. One who knows this goes to next level of Ishwara darshanam. Next level is, God appears to have this form.

So yogaha means arupa Ishvara Gyanam; he will go to nirguna Ishvara Gyanam; which is the third level; And not only he will

get arupa Ishvara Gyanam; avikampena; and it will be a strong conviction for him; formless God is the real God; and that real formless God assumes either one form or many forms; depending upon the devotee's prayer; in whichever form, he wants to have darshanam; Bhagavan assumes that form; but really speaking; the Lord is arupa; And that arupa Ishvara is called avikampa; avikampa means what; unshaken knowledge; which means conviction.

He has all three rupams in him (arupa rupa, aneka rupa and eka rupa).

In Shivananadalahari, Shankara says I can meditate upon you as the Lord whose body consists of the moving and non-moving creation. I enjoy all the three; I can talk to you as a person; I can admire you as the nature or creation; and I can close my eyes and enjoy you as aham brahma asmi. All the three he will come to know, and suppose we have a doubt; what is the guarantee; we want always the guarantee. Sri Krishna says I am giving you guarantee that you will come to Me ultimately.

Shloka # 8:

000 000000 00000 0000 0000 0000 00000000
 000 00000 000000 000 0000 00000000000000000000**10.8**

**"I am the source of all things; all things proceed from Me",
so holding with deep loyalty to truth, the wise adore Me.**

With previous shloka Ishwara Swarupa topic is over. From Shloka # 8 onwards, aneka rupa ishvara bhakti is discussed. Intermediary stage means what; at the lowest level Lord has only one Ishta Devata swarupa; at the highest level is where God who does not have any form and between these two is intermediate stage of aneka rupa Ishwara or Vishva rupa ishvara.

Vishwarupa bhakti enjoys a lot of virtues. Many values come to

him. Raga and Dvesha will weaken in him. Likes dislikes weaken in him. Once I know whole creation is God's, how can I dislike anything in creation? So, everything is welcome. All our stress is due to mental resistance. I like some experiences, others I don't. Even imagined experiences can create stress. For virat bhakti everything is welcome. He sees every experience as originating from God. God is everything, pleasure, pain, success, failure, health, sickness etc. So, everything proceeds from Me; so everything is Ishwara prasada. Thus, he becomes a Karma Yogi accepting everything with an Ishwara Prasada Bhava. Thus a Vishwarupa bhakta worships Me. Virat Ishwara bhaktas are informed Bhaktas who know that Lord is both the intelligent and the material cause of the creation. Their mind is soaked in devotion without stress. **I hope for best but am prepared for the worst. This is the best medicine for stress.**

Take away:

Visible version of power (Shakti) is called Vibhuti; unmanifest (Shakti) is called Yoga.

I hope for best but am prepared for the worst. This is the best medicine for stress.

With Best Wishes,

Ram Ramaswamy

Mandukya Upanishad Class 8

Karika # 4: Tripti Trayam:

000000 000000 000000 000000000000 00 000000 0
 00000000 000 00000000 000000 0000000 000000 0 0 0

The gross objects satisfy the Viswa, whereas the subtle objects satisfy the Taijasa, while the bliss satisfies the Prajna, Thus the bliss is threefold.

Swamiji said in these karika shlokas Gudapada is summarizing the five mantras. The three padas or

The three quarters were explained as: first quarter, Vishva and Virat; second quarter, Taijasa and Hiranyagarbha; third quarter, Prajna and Ishvara. In each of the mantras, the Upanishad pointed out that each quarter is the name of "I", the atma, and the consciousness principle. I am called Vishva when associated with the waking state, Taijasa when associated with the dream state and Prajna when associated with the sleep state. It is my threefold association that makes me Vishva, Taijasa or Prajna. All of them are one and same consciousness. The differences are only in name and form like bangle, chain and a ring are finally only gold. Similarly, essential consciousness is Turiyam.

In this summary Gaudapada talked about Pada Trayam, Sthana Trayam, Bhoga Trayam and Tripti Trayam as well.

Karika # 5:

□□□□□ □□□□ □□□□□□□□ □□□□□ □□□□ □□□□□□□□□□ □
□□□□□□□□□□ □□□□□ □ □□□□□□□□ □ □□□□□□□ □ □ □

One who knows both the experiencer and the experienced just as they have been described so far, as associating with the three states of Consciousness he is not at all affected even when he is experiencing (enjoying) the respective objects of the three

states.

In the following verses, Gaudapada gives some extra information, which is not actually in the mantras. The one who has the knowledge of these three pairs, waker and the gross universe, dreamer and the subtle universe, sleeper and the reflected happiness, i.e., the experiencer and the experienced, knows. In all the three states, there is a distinct experiencer, Vishva, Taijasa or Prajna and distinctly experienced objects. If a person knows all these three pairs very well and the substratum of these three pairs, the Turiyam, the original consciousness, he clearly grasps. Such a Gyani is never affected by any karma or any karma's benefit even when the Gyani experiences the world.

Shankaracharya clarifies for a better understanding that Bhokta is “ one” and same in all three states.

One who knows Bhojyam is also same I consciousness with a different set of nama and rupas. In Svapna, I divide myself into subject and object. Thus, in svapna avastha, I create the tiger, I perceive the tiger, and I am the perceived tiger as well. I alone exist. A Gyani is not affected by anything he experiences.

Bhunjanah in karika means he is not affected by the experiences. He is not affected because he knows that I am conscious principle who is not tainted by the illumined object. It is like a light that is not polluted by the object it illuminates.

Na lipyate in shloka means he is an Asanga Rupa or one not affected.

Karika # 6:

विश्वं तैजसं सूक्ष्मं शरीरं तद्विभक्तं त्रयम् ।
तद्विभक्तं त्रयम् तद्विभक्तं तद्विभक्तं तद्विभक्तं ॥ ६ ॥

It is well established that something can come out as an effect only from a cause that is existent (not non-existent). The Prana manifests in all insentient things; the Pursusha creates separately the conscious beings, the egos, in their manifold forms.

In following four karikas, that is from karika # 6 to #9, Gudapada is giving us the significance of mantra # 6. It is a very important mantra. Mantra # 7 is an even more important mantra. Mantra # 6 is discussed later, again, in greater detail.

In this shloka, Gaudapada mentions a topic of creation briefly; it will be elaborated upon later as well. Creation or cosmology is a big topic in philosophy and science. In every philosophy creation is very important topic. In modern science it is called cosmology, which has many theories such as big-bang theory, steady state theory, etc. But none of them explain creation with clarity; it is all still a mystery.

Here, Gaudapada is talking about Vedantic theory of Creation. Gaudapada is hinting at the topic taken from the sixth mantra of Mandukya Upanishad. In that mantra, the third quarter was talked about, which is atma associated with the causal body and the causal universe. In sleep, everything is in resolved condition. During sleep, even though we are experiencing blankness, sleep is not blankness. Mandukya Upanishad says that everything is in potential condition in sleep. From that potential condition alone our experience in dream and waking states arises. Therefore, we are making **an important conclusion that if you have to create anything, that product must exist in potential form. This is an important Vedantic principle. If out of a lump of clay, you are able to create a variety of earthenware, all those forms have to be in the clay in potential form.** Thus creation always exists, which means that there is no creation of anything new. So there is no creation at all! **What is called creation is a big misnomer because matter cannot be created nor destroyed.** What is in

unmanifest form coming into manifestation is wrongly called creation. When butter is made from milk, it is only the unmanifest butter in milk that comes out. Otherwise if butter can be newly created, it can be done so from anything. Butter cannot be created from water because water does not contain butter in potential form. Butter comes out of milk because it is in milk in potential form. Similar analogy of oil hidden in seed was given. This is a very important Vedantic doctrine. It says that you never create anything new; you only convert unmanifest into manifest. Any law true to humans also applies to God as well. God also can't create matter. So, where is question of Creation? Consciousness is eternal. It can't be created. Matter can't be created. Nothing is created.

In the third quarter, which is the deep sleep of the individual is called laya while the deep sleep state of the total cosmos called pralaya, where everything is in potential condition. All the five elements are also in potential condition. That potential form of the material creation is called maya, prakrti, avyaktam etc.

Maya will be used here. During laya and pralaya, the whole universe is in maya in seed form along with consciousness called Turiyam, Brahman or atma. Thus Atma plus maya is equal to the third quarter, the Prajna-Ishvara, in which, everything is in seed form. Every state of sleep is followed by a waking-up. When you wake up in the current body, it is called waking up. If you wake up in some other body it is called rebirth. Manifestation always follows every dissolution. At the time of manifestation, everything dormant rises back. What happens to consciousness? Consciousness does not and cannot do anything. It cannot undergo any change. When the body-mind complexes are manifested, consciousness lends reflected consciousness to the body-mind complex. Thus, as many minds there are, as many reflected consciousness's will form. Gaudapada says that objects, that exist in potential form in the Prajna-Ishvara, referred to in the sixth mantra, become

the manifest world. Un-manifest world is not useable as such it is as good as nonexistent.

Why do we use the word Creation wrongly? When a thing is in potential form, it is utterly useless with no utility value. Oil in seed can't be used; hence it is as good as non-existent. In Pralaya, creation has no utility value; after manifesting, it is useful. So manifestation is considered newly created, which it is not. Thus from Avyakta avastha (unmanifest) comes Vyakta avastha (manifests). This is figuratively called Creation. Sri Krishna says in the Gita, "I never created you, Arjuna! You were always there." This Ishwara creates all Jivas as well as both chetana and achetana beings. Creation means Sthula, sukshma etc were in potential form; now they manifest as bodies and minds. RM (reflected matter) and RC (reflected consciousness) are also generated. Chetan, Achetan prapancha are thrown out or manifested. How is this possible? It is just like our dream creation. Sleeper throws out dream world with chetana and achetana beings. In the shloka Prana means Ishwara.

Karika # 7:

सर्वमिदं ब्रह्मसत्त्वं ब्रह्मसत्त्वं ब्रह्मसत्त्वं ब्रह्मसत्त्वं ब्रह्मसत्त्वं ब्रह्मसत्त्वं
ब्रह्मसत्त्वं ब्रह्मसत्त्वं ब्रह्मसत्त्वं ब्रह्मसत्त्वं ब्रह्मसत्त्वं ब्रह्मसत्त्वं

Some creationists believe it to be the projection of the glory of God's own superhuman power, while others consider the world to be of the same nature as dream or illusion.

In previous shloka how the potential creation is manifested by Ishwara was discussed.

Next topic is "nature of manifestation". Is it real or unreal? Later, Gaudapada will say manifested creation is Mithya; like dream creation is also not real; my thought appears as dream objects or mithya. But people consider this as real creation. Some theories of Creation include:

1. Creation is glory of God, as such it is as real as God. This is known as Vibhuti Mahima.
2. Creation is comparable to swapna or Maya. It is materialized by a magician and is called Maya. Materializing power is called Maya. Thus, Ishwara creates by his Maya.
3. World is like a dream where dream is a real one. So God creates this real dream, this universe.

Karika # 8:

□□□□□□□□ □□□□ □□□□□□□□ □□□□ □□□□□□□□ □
□□□□□□□□□□ □□□□□ □□□□□□ □□□□□□□□ □ □ □

The creationists attribute this manifestation to be caused by the mere will of God, while there are others who, looking upon time as real, declare that time is the cause for the manifestation of all things.

Item # 4: Some others say that creation is sankalpa of God; by his sheer will he creates; it is as real as God himself.

5: Don't blame God's will. It has nothing to do with God. It is time (kala) alone that creates Creation. Creation emerges due to Kala, say time specialists.

Karika # 9:

□□□□□□ □□□□□□□□□□□□ □□□□□□□□□□ □□□□ □
□□□□□□□□ □□□□□□□□□□□□□□□□□□ □□ □□□□□□ □□ □□

Others think that the world is being created for the purpose of God's enjoyment, while others still attribute it to a mere play of the Lord. But it is the very nature of the effulgent Being, the Atman; for what desire is possible for Him, whose desires are always in a state of perfect fulfillment?

Point # 6: Others say creation is for enjoyment of God. It has the issue that God's enjoyment comes in part from human suffering. This is a dilemma.

Point # 7: Others say it is God's Leela or for fun.

Gaudapada says all these theories of Creation have problems, if you describe God as ever fulfilled. If God is full, why should he get happiness from Creation? He says all these theories are meaningless. Then, why did he create?

Gaudapada says, **God has not created the world. It has always been there as an intrinsic part of God.** If creation is not a fresh arrival but has been a part of God in a potential form and later manifests, then do all sufferings also belong to God? Since whole creation is inseparable from God, he will also have all its sufferings?

Answering this Gaudapada says, **Creation is a lower order of reality, even as the shadow cannot affect a person, similarly creation can't affect God. Mithya world does not affect God.**

Take Away:

1. An important Vedantic principle is that if you have to create anything, that product must exist in potential form.
2. What is called creation is a big misnomer because matter cannot be created nor destroyed. What is in unmanifest form coming into manifestation is wrongly called creation.
3. God has not created the world. It has always been there as an intrinsic part of God.

4. Creation is a lower order of reality, even as the shadow cannot affect a person, similarly creation can't affect God. Mithya world does not affect God.

With Best Wishes,

Ram Ramaswamy

Baghawat Geeta, Class 128: Chapter 9 Summary

Swamiji concluded Chapter 9 with a summary today. He said this chapter is similar to chapter 7 and very different from chapter 8. Sri Krishna wants to show the differences between Ch #9 and Ch #8. Ch 8, elaborated on saguna ishwara upasana. Saguna ishwara upasana was shown as meditation on God with virtues. Saguna Upasana gives liberation to an individual through a process known as Krama Mukti. Here one practices Saguna Upasana throughout his life without coming to Brahma Gyanam. This Saguna Upasana cannot lead to liberation. But due to his saguna upasana he travels after death to Brahma Loka. How do we come to know of all this; it is this through scriptures. There he will find conditions ideal for Brahma Gyanam. He will go through Vedanta Shravanam, mananam and nidhidhyasanam taught by Chatur mukha Brahmaji himself. In this ideal situation he gets knowledge and liberation called Krama Mukti.

Here, one does not get Gyanam in manushya Loka.

Sri Krishna is not prescribing Krama Mukti, as he does not want to postpone liberation. So he wants to prescribe Sadyo mukti or Jivan mukti. In this method we practice saguna Upasana acquire योग्यता, switch to Nirguna Gyanam in this life itself. This switch is to Vedanta vichara. Here nirguna nature of God is understood. This is Ishwatra Gyanam. Due to this, one gets knowledge of nirguna nature of God or Para Prakriti (PP). This gyanam results in Jivan mukti and then in Videha mukti.

So, thus, in the seventh chapter, sadyo mukthi; in the 8th chapter, krama mukthi; and in the 9th chapter, again we come back to sadyo mukthi itself; that is why the 8th chapter is the odd chapter; 7 and 9 both deal with nirguna Ishvara Gyanam; which is the liberating knowledge.

When we think of nirguna Ishwara Gyanam one may think of it as very difficult. Sri Krishna says it is actually very easy for a **prepared person**. So how should I prepare? It is by Saguna Ishwara Upasana then progressing to Nirguna Ishwara Gyanam and then one gains liberation. This is the background of Ch 9.

Shlokas #1-# 3:

They are an introduction to the chapter. Sri Krishna introduces subject of Ishwara Gyanam or PP or Nirguna Ishwara Gyanam. Since this knowledge is not available to an unprepared mind this will remain a secret for the unprepared mind; like the theory of relativity; they say only a few people know, because it requires preparation. Sri Krishna calls it raja vidya, the greatest knowledge. And this raja vidya raja guhyam, otherwise known as Nirguna Ishwara Gyanam is the subject matter of the 9th chapter.

Incidentally he says among qualifications Shradha is very

important. **Shradha means keeping an open mind and not rejecting the teacher and teaching outright.** He says, if you don't have shradha, the loser is you alone.

Shloka # 4-10:

The central theme of these shlokas is revelation of nirguna Ishwara Swarupam; nature of higher god, PP, is revealed. Nirguna Ishwara is called Brahma Swarupam. A few important features of Brahman are mentioned from scriptures here. They are:

1. **Sarvagataha:** The real God, the "I", is all pervading. So any personal God is not all pervading. So God in Vaikuntam etc., are inferior God presented to beginners. Also remember, without Saguna Ishwara one can't go to Nirguna Ishwara.
2. **Avyaktam:** meaning he is indriya agocharam or not available for sensory perception; ashabdam, asparsham, arupam, arasam, agandam Brahma. So one can't see, smell, taste, touch and talk about God.
3. **Mithya Jagat Adhishtanam:** The Lord is the support of the world, which has got only a lower order of reality; which is unreal, compared to the higher order. Just as the dream world is real from the standpoint of the dreaming individual, but the dream world is unreal from the standpoint of the waker. Similarly **this world is real from the standpoint of the waking individual; but this world is unreal from the standpoint of the para prakruti, the higher nature.** And therefore the third definition of Lord is that he is the substratum of the unreal world, or the world of a lesser order of reality; In Sanskrit, mithya jagat adishtanam;
4. **Asangaha:** God is asanga swarupa: Impurities of world don't sully god. Although god supports whole world its impurities don't contaminate him. He is compared to akasha just as the space accommodates everything, without getting sullied by anything.

5. **Srishti Sthiti Laya Karanam:** Ishwara is Srishti Sthiti Laya karanam. He is cause of origin, existence and resolution of Samsara.
6. **Sakshi Matrena:** If Ishwara is creator, then he is also a karta and bhokta, then he will have punyam and papam as well. And therefore Sri Krishna says: I do not create anything; in my presence, sakshi matrena; the creation arises, exists and resolves. Like in presence of light a crime may be committed but it does not affect the light.
7. **Kartrtva bhoktrtva rahita:** Since God is only a witness; he does not have a doership or enjoyership. And this last one which is corollary of previous one; Since the Lord is only the witness; Lord does not have kartrtvam or bhoktrtvam; kartrtva bhoktrtva rahita; kartrtvam means doership; bhoktrtvam means enjoyership; both do not belong to Ishvara.

So these are the seven features of the higher nature of the Lord; that is Brahman.

Shloka # 11: explains why samsara exists and why suffering exists. Samsara karanam is ignorance of PP or Nirguna Ishwara. **Why is there ignorance?** Nirguna Brahman, God without attributes, is beyond time and space. And anything other than Nirguna Brahma, that is Sagunam Brahma, which comes under apara prakrti (AP), is within time and space. The moment you come to properties, it is subject to change; there will be increase; there will be decrease. Whatever is subject to time cant give security, as time will destroy it. So, if I don't know PP, I seek security from AP that fluctuates. Holding to AP, I face changes. AP is cause of all our struggles and we will be disappointed. **Cause of samsara is from wrong expectations of permanence of AP. So, ignorance is cause of suffering.**

Shloka # 12-# 19:

The remedy is now given for our suffering. Bhakti is given as

the remedy. Bhakti is a series of sadhanas culminating in Gyanam. Our problem is ignorance and its solution is Gyanam.

Shankaracharya says, if darkness is a problem the solution is light; so light a lamp. If Agyanam is the problem, nirguna brahma gyanam is the solution. So, Bhakti is a series of sadhanas. The sadhanas take you there.

Three levels of bhakti are indicated. They are:

1. Karma rupa bhakti as Karma yoga.
2. Upasana rupa bhakti
3. Vedanta rupa bhakti.

Karma makes us extrovert. Extrovert mind has to turn inwards. How to turn inwards? By bhakti, in form of Saguna meditation one can turn inwards.

Vedanta Vichara Rupa bhakti is where I study scriptures. Even our class belongs to this bhakti. Gyana yagna is superior to all other Yagnas.

Once a person goes through all three levels of Bhakti, he becomes a Gyani Bhakta, a devotee with knowledge of Nirguna Ishwara Gyanam. So, Bhakti means, all three levels of Sadhanas. You have to go through all three then he becomes a Gyani who gets liberation.

To become a bhakta one must have done a lot of punyam in life. Without punyam one will not come to any level of bhakti.

Shlokas # 20-# 29:

Sri Krishna talks of two forms of bhakti based on motive. Previously we talked about bhakti based on Sadhana. Now we are discussing bhakti based on motive; thus we have Sakama Bhakti and Nishkama bhakti. The difference in motive is one bhakta prays for finite benefits while other prays for infinite benefits. Manda Bhaktas use bhakti for ephemeral goals. Sakama bhaktas goals are unintelligent ones. However, Swamiji says,

Sakama bhakti is still valid and fruitful. It is not a papam. God will fulfill Sakama bhakta's desires. But his life will be like the snake and ladder game; will be climbing very fast in the ladder and also come down faster through the snake's mouth; and again go up and come down; endlessly this game goes on and on and this is sakama bhakthi.

Nishkama bhakta understands Para Prakriti (PP) alone can give him peace, security and happiness. He uses his bhakti for preparation of mind for Brahma Gyanam. Just as a Mother feeds her child knowing what is good for it; so also God, please choose the right qualification and inject me like a suckling mother, prays the bhakta. Asking for Chitta shuddhi is nishkama bhakti. Asking for Guru is nishkama bhakti. Asking for non-forgetfulness of teaching is nishkama bhakti.

Sakama bhakti is difficult to practice as there are many rules in its practice. Sakama karmas specify the date, time, dress, the mantras, pujari etc. If rules are not followed one has to perform prayaschitam, if not benefits will not be there.

Nishkama bhakti is easy to follow. The bhakta needs to use only pushpam, phalam or toyam for his worship of god. So, Sri Krishna differentiated between the two bhaktis. He recommends Nishkama bhakti. So unintelligent people practice difficult bhakthi; they pay more; and get less. Whereas, nishkama bhaktha pays less and gets the infinite itself.

Shloka # 30-#34:

Sri Krishna glorifies bhakti here.

Since bhakthi has got several layers, it is like a flight of steps; beginning from the lowest rung of the ladder; karma lakshana bhakthi; then upasana lakshana bhakthi; and then Gyana lakshana Bhakti. Since it has many rungs, anybody can start bhakthi; according to his level; Not that you have to study nirgunam Brahma; you need not start there; Start with karma yoga; very easy; even you can practice sakama karma; but

dedicate it to the Lord, We will see the details in the 12th chapter; thus anybody can start bhakthi; whatever be the level.

Sri Krishna goes a step further and says even a person with guilt can go to Bhakti. Guilt is a big obstacle to spiritual progress. Spiritual sadhana requires self-confidence. Biggest obstacle to this is guilt.

Thus, I have to be confident in running a race; mother, father, brothers, etc. they can clap the hands; they can cheer you up; the running has to be done only by the child only; Similarly the spiritual sadhana, I have to do; guru can encourage; Shashtra can encourage, Bhagavan can encourage; and biggest obstacle to confidence is guilt; and therefore Sri Krishna says never have guilt, once you have understood that your lifestyle has been unhealthy; decide to change; once you have turned a new leaf and decided to change; **the very decision to change makes you a saint or a Sadhu purusha.** And not only that, there may be some people who have got disadvantages because of their very birth; because of their parentage; because of their location, etc. There can be people with inherent disadvantages but even those disadvantaged people can practice bhakthi and attain liberation.

The last shloka talks about requirements for a Bhakta; they include:

- 1. Learn to love Me, for whatever reason you choose.**
- 2. Learn to love me as your goal.**
- 3. Never forget your goal.**
- 4. Convert your life to worship towards this goal.**
- 5. Be humble at all times due to spiritual progress.**

With these five factors you will attain Me.

This concludes chapter # 9. And since the subject matter is raja vidya raja guhyam, the chapter is called raja vidya raja guhya yogah.

Take away:

Shradha is a qualification considered most important by Sri Krishna to receive this knowledge. Shradha means keeping an open mind and not rejecting the teacher and teaching outright.

This world is unreal from the standpoint of the para prakruti, the higher nature of God.

To become a bhakta one must have done a lot of punya in life. Without punya one will not come to any level of bhakti.

The very decision to change and go to Bhakti marga makes you a Sadhu purusha.

Cause of samsara or suffering is from wrong expectations of permanence of AP. So, ignorance is cause of suffering.

Essence of Bhakti:

1. Learn to love Me, for whatever reason you choose.
2. Learn to love me as your goal.
3. Never forget your goal.
4. Convert your life to worship towards this goal.
5. Be humble at all times due to spiritual progress.

With these five factors you will attain Me.

With Best Wishes,

Ram Ramaswamy

Bghawat Geeta, Class 127: Chapter 9, Verses 30 to 34

Shloka # 30:

000 00000000000000 0000 000000000000
 0000000 0 00000000 000000000000000 00 0000**9.30**00

Despite his extremely wicked conduct, if a man worships Me exclusively he must indeed be deemed worthy; for his resolution is right.

Continuing his talk on chapter 9, Swamiji said, Sri Krishna has completed the topic of comparison and contrast of sakama nishkama bhakti. Now, in shlokas # 30 to # 34, Sri Krishna is talking about the glory of devotion.

In shloka # 30 bhakti is glorified as something, which any person can start at any time in his life.

Either he can start as an arta bhaktha, which is the beginning stage. Whenever there is problem, we can take recourse to the Lord. This is arta bhakthi. Whenever there are problems, a person is mentally weaker, he requires a support, and Lord is an ever-available support. In fact, one of the names of the Lord is arta thrana parayana; the one who is committed to helping the people who are in crisis. And gradually you can graduate to artharti bhakthi, then jignasu bhakthi and then Gyani bhakthi; thus whatever be your level of spirituality, you can start with bhakthi.

Sri Krishna says once he has decided to take the help of god such a person can be called a Sadhu purusha because it requires a little bit of humility; a little bit of understanding, that however great we are, our freewill has its limitation. No doubt human being is very powerful. No doubt, human being can achieve lot of things. But however great a

human being is, he has his limitation. The moment I understand the limitation of my freewill, my wisdom helps me take the help of an external factor.

The moment I understand limitations of freewill, I get wisdom to seek help of god, even if it is for material gains. One can seek god even for material gains.

And once a person surrenders to the Lord; and then he will find there is an extra strength in his mind. As I told you the other day, **they have statistically proved that religious people have more emotional strength, and greater immunity and resistance even at physical level.** Therefore I do seek a transformation. Once I seek a transformation my inner strength, my devotion will increase; when the devotion increases, naturally my strength will be more; thus you get into a cycle; **an auspicious cycle of; more devotion; more strength; more strength, more devotion, so it becomes a healthy addiction;** until then, he was addicted to unhealthy practices; now he is de-addicting himself from other inferior things and he is practicing a positive addiction; the addiction to devotion; it is an addiction; but worth having; and soon we will get over even that addiction; Whether we should get over or not is a different question; but if you see it as an addiction, we will get over that also; but he has got into a healthier addiction.

So you can call him a saint as he has taken the right resolve. What happens to him, the one who has decided to turn to Lord for help?

Shloka # 31:

00000000 0000 0000000000 0000000000
 00000000 0000000000 0 00 00000 0000000000**9.31**00

Soon he becomes essentially righteous and attains lasting peace. Know for certain and proclaim, Arjuna! that My devotee never perishes.

He will soon become a dharma atma or a person who values dharma more than artha and kama.

He grows out of the artha kama delusion. He uses them like pickle, in small quantities. His main pursuit in life is his dharma (values and moksha). He will gradually become a jignasu bhakta. One who uses emotion for growth. Then he becomes a Gyani bhakti.

Jignasu means one who wants to know the nature of God. Since he knows God is the only source of security, he is interested in knowing Brahman.

And once I have that sincere desire, Sri Krishna will tell in the 10th chapter, from somewhere shastram comes. Just as when the flowers bloom from somewhere the bee comes; flower need not send post card, please come; once it has bloomed; naturally it comes; Similarly you bloom into a sadhana chatushtaya sampanna adhikaari; Gurus will come in search of you; Sri Krishna will tell this in the 10th chapter, Because Bhagavan's law is that any genuine desire should be fulfilled. If you have a thirst as a natural desire; Bhagavan has to provide you with water in the creation; if hunger is there; Bhagavan has to provide food in the creation; if you have to breath oxygen; Bhagavan has to provide; similarly, if you have a thirst for Ishvara Gyanam, Bhagavan has to provide a guru; therefore Sri Krishna says Shashtra will come, guru will come, ideal situations for learning will come; Gyanam will come, you will be converted into a Gyani bhaktha.

Then Sri Krishna says the moment you become Gyani bhaktha; you are a wise person; and that wisdom means grief will go away from life. He will attain peace of mind; ever lasting peace not disturbed by upheavals of life.

Now Sri Krishna wants to make sure Arujna accepts all this. He says, O Arjuna! take this promise from Me. A devotee will never have a spiritual fall. Material ups and downs may occur

but not spiritually. This is my promise. So, become my devotee.

Shloka # 32:

ॐ नमो भगवते वासुदेवाय ॥ १३२ ॥
ॐ नमो भगवते वासुदेवाय ॥ १३२ ॥

Seeking refuge in Me, Arjuna! those even of low birth, women, artisans and serfs, attain the supreme goal.

Sri Krishna wants to point out that even handicapped people can take to bhakti and get liberation. The disadvantage can be any form of handicap, physical, mental, emotional including spiritual obstacles. They all can get liberation provided they come to depend on Me. **Shankaracharya's Karavalamba strotram is meant for disadvantaged people to attain liberation.**

Who are the disadvantaged people? We should note that this shloka is a very controversial one. The disadvantaged people include:

1. People of sinful birth;
2. Women
3. Vaishya and
4. Shudra

All four are disadvantaged people. Why does Sri Krishna identify these four. We should remember Vedanta is pursuit of wisdom connected with the mind, intellect and sukshma shariram. Physical body does not get knowledge. We are not connected with the physical personality. Sadhana chatushtaya sampathi deals only with subtle body, not physical body. So Stree, Vaishya, shudra etc are really about our inner personality. What type of personality is a Stree, Vaishya, Shudra etc? They are svabhava stree, svabhava vaishya, svabhava shudra.

We are not concerned about physical side of svabhava at all

here.

Papa Yonaya: People of sinful birth; that means people who do not have a conducive atmosphere for spirituality; not being born in a spiritual family; We have to imbibe spirituality from early childhood. In fact we say in the shastra, that even from pregnancy the child imbibes that trait. So imagine if the parents are nasthikas; so, that becomes an obstacle. Thus, papa yonaya, are people who do not have a conducive atmosphere for spiritual growth.

Stree: A stree is an emotional person. In Stree emotion dominates over reason. Normally reason should control emotion and not the other way around. An emotional person can have problems with Vedantic knowledge. Emotional person values personal attachment. They need an emotional prop. But Vedanta wants us to grow out of relationship, asangam. Sanga means bondage; one has to transcend Sanga.

Emotional mind wants a personal god; god is seen as a child, mother, father etc. Whereas Vedanta is telling us that God is beyond even personal limitations. Emotional mind can never reach nirguna brahman and therefore Vedanta becomes a problem and vairagya becomes a problem for an emotional mind. Therefore who ever has such a mind is called stree mind; even a

male, if he has got such a mind, Vedantically that person is a stree; therefore, the first type of mind is an emotional mind.

Vaishya: In chapter 4, Vaishya is considered a Rajasic mind; that is an outgoing, commercial mind. He sees profit everywhere. It does not have anything to do with birth. This is a guna vaishya.

Shudra: In chapter # 4 this is considered tamas guna pradhana. They are animalistic one's who believe in a "eat drink and be merry" life. This is Guna shudra not jati shudra.

Guna stree, Guna Vaishya, Guna Shudra are all disadvantaged persons. Even they can surrender to God and they can change their character.

A lady asked me, Swamiji, if I have to be detached from my son to obtain moksha; I prefer my son to moksha.

Such a mind will have difficulty, but Sri Krishna says to such people my advice is; be attached to your children also and give Me, Bhagavan, some attachment as well; then sooner or later, I will take you away from worldly attachment. So, Bhakti will help handicapped as well.

Shloka # 33:

□□□ □□□□□□□□□□□□ □□□□□ □□□□□ □□□□□□□□□□□□
□□□□□□□□□□ □□□□□□ □□□□□□ □□□□□ □□□□□□9.33□□

How much more certainly do so those of meritorious birth and devout royal sages! Having come to this transient and unhappy world, worship Me.

So, if Guna shudra and vaishya can attain liberation then the Guna Brahmana and Kshatriya can certainly obtain it as well.

Guna Brahmana: is Satva pradhana.

Guna Kshatriya: is Rajasic pradhana but one who is active selflessly. Guna Vaishya, on the other hand is selfishly active.

Selfless person will grow spiritually while a guna Vaishya may stagnate. A Kshatriyas life is one of a karma yogi while a Vaishyas is one of just karma.

Thus, a Raja Rishi is a guna Kshatriya who is advantaged.

So, advantaged or disadvantaged, start Bhakti. So Arjuna! May you start worshipping Me. Don't postpone, start right away. The world is too uncertain. So start prayer to God right away.

Sri Krishna concludes the chapter with shloka # 34:

Shloka # 34:

मम मनो मे निवेष्टयन् मया भक्त्या मे
ममैवावस्थितो मनो मे भवेत् ॥ १३४ ॥

Set your mind on Me; be My devotee; sacrifice unto Me; pay obeisance to Me. Being wholly intent on Me, thus uniting your self, you will surely come to Me.

In this famous shloka the lifestyle of a bhakta is described. Who is a bhakta? What life does he lead? Five factors are described in this area. I will reorganize the words of shloka to better communicate the five factors.

Matbhaktaha bhava: Develop devotion towards Me.

Lord can be looked at as a means to the world or as an end. In beginning you learn to look at god as a sakama bhakta for accomplishing worldly ends. Here you will certainly obtain success in that God will fulfill your desires. And that is why Sri Krishna said, in whatever form you worship Me, I will fulfill your desire. So this is the first stage: use Bhagavan as an assistant, your assistant for worldly goal; this is madbhaktah. In fact in all the puranas; this is predominantly presented.

Matparayanaha: Worldly goals have limitations. They cannot give peace, happiness and security. How can money give security? And only God can provide all these. So go to this Brahman, ultimate goal of life.

Manmanaha: Once god is primary goal, mind should not lose sight of goal. In all preoccupations always keep god in mind; as in, subconscious mind. It is like the musician who keeps tampura shruti in mind at all times. This is non-forgetfulness of goal.

Madhyaji Bhava: He converts every action into worship; uses

very moment for worship; even eating can be converted into a purificatory right; you should not eat immediately what is served; wait a minute; do namaskara; and acknowledge that it is Lord's gift and remember God; and eat; then eating becomes a spiritual sadhana; Convert everything into a spiritual sadhana, yagna; Even sense pleasures can be converted into yagna; we saw in the 4th chapter, dravya yagna, tapo yagna etc. Therefore madhyaji bhava; worship Me through every action of yours; Become a karma yogi; this is the 4th definition.

Mam Namaskuru: When you grow spiritually, don't become arrogant. Remember my success requires the grace of God.

Thus madhyaji indicates the use of freewill; Mam Namaskuru; indicates the importance of grace; Freewill is also important; Ishvara anugraha is also important; both should go hand in hand.

So, thus what are the five conditions to be a bhaktha:

1. **Develop devotion to Me.**
2. **Make Me as your ultimate goal;**
3. **Do not lose sight of Me as the goal;**
4. **Convert every moment of your life into a purificatory exercise; and**
5. **Always surrender to the Lord and do everything with Lord's blessings.**

If these five conditions are fulfilled, Sri Krishna says; thus engaging yourselves in this devotional

life, religious life, Vedic life, you will certainly attain

Me alone; you will certainly attain moksha. So thus bhakthi will take every person to Moksha; whatever be the level of the person. Therefore let everyone start with devotion; and in initial stages, the real nature of God need not be known, God can be imagined as a person; then gradually from eka rupa, you can go to aneka rupa, then you can go to arupa; Start

somewhere.

Take away:

Religious people have more emotional strength, and greater immunity and resistance even at physical level.

More devotion means more strength; more strength means more devotion, so it becomes a healthy addiction.

Shankaracharya's Karavalamba strotram is meant for disadvantaged people to attain liberation.

The five conditions to be a bhaktha:

1. Develop devotion to Me.
2. Make Me as your ultimate goal;
3. Do not lose sight of Me as the goal;
4. Convert every moment of your life into a purificatory exercise; and
5. Always surrender to the Lord and do everything with Lord's blessings.

With Best Wishes,

Ram Ramaswamy

Mandukya Upanishad, Class 7

Mantra # 6:

This is the Lord of all, this is the knower of all, this is

the inner controller, this is the source of all. And this is that from which all things originate and in which they finally dissolve themselves.

Swamiji said the Upanishad is in middle of Chatushpada Atma Vichara. The teaching wants to say that ultimately "I" am Turiya Chaitanyam, which does not have any time or space limitations. This Turiya Chaitanyam is appearing as Jagrit, Swapna, and Sushupti avasthas.

It is appearing in three Veshams. Citing an example, it is the same gold that appears as a bangle, ring and chain.

Gold by itself is neither bangle, nor ring nor chain. Bangle is like the first pada, ring is like the second pada and chain is like the third pada. Gold is like the fourth pada or Turiyam. There are no such things called bangle, ring or chain. The substance is only gold that appears as all three ornaments. Thus, I, Turiyam manifest as gross creation. Gross creation is not a substance in itself. The Turiya Chaitanyam is the only substance that appears as gross creation. There is no matter separate from Consciousness. There is no separate gross matter separate from Consciousness.

Thus, I, appear as Sthula Atma consisting of knower and known. With another nama and rupa I appear as sukshma atma or subtle dream universe. Here, I am the dream knower and known, all my own appearances. I, in sushupti, take on another nama and rupa, in seed form. In sushupti everything is in avyakta rupam. I am thus the third pada called Karana atma, it includes the knower and the known pairs in an undifferentiated form.

In all three states the pairs are:

Vishva and Virat in Sthula

Taijasa and Hiranyagarbha in Sukshma

Prajna and Antaryami in Karana

The anantaryami was described in last class in mantra six.

In I, the consciousness, all nama and rupa's are available at the time of pralaya and in a miniature form in the sleep state as well and in this state I am called Anantaryami. Anantaryami is jagat karanam. Karanam is name for the seed form that is the source of origination of all things; just as a pregnant woman is called a mother. It is both Nimitha karanam and Upadana karanam. Nimitha is intelligent cause while Upadana is material cause. Anantaryami has Total knowledge and total skills. He is cause of whole jagat prapancha. Thus, as nimitha karanam, he is omniscient, omnipotent and Omni-present.

Upadana karanam, the material cause, is indicated by Yoni.

So, who is Anantaryami? Anantaryami is my third Vesha.

Now, I am trying to find who am I, without a Vesha, not playing the roles of Waker, Sleeper, Dreamer or Turiyam? **Every Vesha has a complication or role related problem. Father role has its problems; mother role has its problems. There is no problem-free role. Only by knowing my role-free nature, will I know myself.**

Here Gaudapada gives us a break from mantras with a few Karikas or commentaries summarizing the first six mantras.

There are nine karikas before seventh mantra.

The content of the nine karikas is the consolidation of the first six mantras in which the three quarters (padas) of atma were described. Karika does not comment upon every word of the mantra. That is the difference from a bhashyam, commentary. Karika is an analysis, study or an observation.

In first five karikas, Gaudapada is summarizing the first five mantras and three padas as well. He clubs all three padas together for commentary. Thus, the karikas give us the total vision of the mantras.

In karika # 1 he is summarizing Pada Trayam.

In karika # 2 he is summarizing Sthana Trayam or location for sake of upasana purposes. Here a particular body part is chosen for location of pada for performing the upasana.

In karika # 3 he is describing the Bhoga Trayam; that is experiences enjoyed by each pada.

In karika # 4 he describes Tripti Trayam indicating what gives pleasure to each pada. It performs a Tarpanam for each pada. Tarpanam is process of pleasing. Tripyati means process of pleasing. Thus, he describes who pleases Vishwa, who pleases Taijasa and who pleases Prajna?

Karika # 1:

वैश्वानरं तैजसां प्रज्ञां च त्रिपदां त्रयम् ।
तत्रैकं त्रयं त्रयं त्रयं त्रयं त्रयं त्रयं ॥

Vishwa the first quarter (pada) is He who is all –pervading and who experiences the external, the gross objects (the waker), **Taijasa**, the second quarter (pada), is He who cognizes the internal, the subtle bodies (the dreamer). **Prajna** is He, who is a mass of Consciousness. He is one alone who is thus known as three, in three different planes of Consciousness.

Describing the three padas, he says:

First pada is describing **Vishwa**. It is I, the Waker, Sthula Atma, physicalized in the waking state. I am Vishwa turned extrovert. I am waker “I”. I am Vibhu; I am Virat. Vishwa is Virat when identified with macro nama rupa. It is like the prime minister of the country, who represents not the old and unsteady man that he is, but the will of a billion people. His signature on a treaty is the signature of the country.

Pada # 2 is **Taijasa** or I, identified with dream body, a thought body. In dream, every object is a thought. Thought body is vasana maya. Antaha Pragyaha means turned inwards;

thus, “I”, replay the vasana’s registered in me in jagrat avastha.

Third pada: is Pragyaha is not different from antaryami or sleeper “I” or Ghana pragyaha. Gaudapada presents Pragyana Ghana as Ghana pragyaha. It is a better way of phrasing it. At this stage all my knowledge has merged into one mass Consciousness.

A very important point made by Guadapada is that the one Consciousness, the Turiya, “I”, am known by three different namas. It is like I am grand father, father and son. From my own point of view, once you negate the relations, the names are gone and I am just a person. My waker, dreamer and sleeper statuses are all just relative ones. “I” am the one known by three different names.

Karika # 2:

विष्णुर्देवतायाः सार्वभौमस्यैव
विष्णुर्देवतायाः सार्वभौमस्यैव विष्णुर्देवतायाः सार्वभौमस्यैव

Viswa works from the right eye, Taijasa from the mind and Prajna from the heart space. Thus, the one Self is conceived as working from three headquarters as three distinct entities.

This is not part of mandukya Upanishad but was introduced by Gaudapada based on other Upanishads. Other Upanishads talk of three types of Upasanas that meditate on oneness of the being. Thus, wave and ocean are water. Difference is only in name and form. Form itself has no weight; name also has no weight; **once you remove nama and rupa, both wave and ocean end up being just water.**

Vyashti Samshti Aikyam: When we live as an individual in the world we forget individual is not a separate from Total. Cauvery water dispute is there because people of Karnataka do not see the entire country as one people. Similarly, India Pakistan problem festers in south Asia because we do not see

ourselves as Asians but rather as Indians and Pakistanis. Ego is the cause of Samsara. So ego-killing meditation is very important for Vedanta to work. The three ego-killing Upasanas are:

Vishwa Virat aikya upasana

Taijasa Hiranyagarbha aikya upasana

Prajna Antaryami aikya upasana.

Thus, for sake of convenience, we invoke Lord Shiva on a Shiva linga while we invoke Vishnu on a Shaligrama.

So we have to invoke in ourselves, the locus given to us by the Upanishad and meditate on the oneness.

Waker I, Vishwa, should be invoked on the right eye. Why invoke on right eye; because, the eyes are the most powerful organ contacting the external world. Between both eyes the right eye is more powerful. So, in waking state right eye plays a very important role. According to scriptures the right eye is considered more sacred. Vishwa is thus invoked in the right eye.

This upasana is highlighted in Brhadaranyaka Upanishad (chapter 4, section 2).

The location of Taijasa is inside the mind. All thoughts are registered as vasanas in subconscious mind. Some of our dreams come from subconscious mind. The mind, being the prominent part of the subtle body, is used for invoking Taijasa.

Prajna: according to shastras, in sleep, all faculties are withdrawn into Hridayam. This is deep sleep when you don't smell, see, feel, etc. Golakams are there but Indriya Shakti is withdrawn. So, it is located in Hridayam.

Brihadaranyaka Upanishad states (chapter 2, section 2) that within our heart, there is an inside space into which all our

sense powers are resolved when we are in deep sleep. Prajna is invoked in this space.

Thus we have three upsanas:

Vishwa Virat aikya upasana

Taijasa Hiranyagarbha upasana

Prajna Antaryami upasana

Karika # 3:

विश्वो विवर्तमानं भुङ्क्ते तज्ज्ञानं तज्ज्ञानं तज्ज्ञानं
तज्ज्ञानं तज्ज्ञानं तज्ज्ञानं तज्ज्ञानं तज्ज्ञानं तज्ज्ञानं

Know these to be the threefold experiencers; Viswa always experiences the gross sense objects. Taijasa enjoys the subtle world of objects and Prajna the blissful.

Describes the three fold experiences of the padas.

Vishwa Bhoga:

Vishva, the waker, experiences the gross material

objects of the world regularly in every waking moment. The objects of the world are made up of the five elements.

So Waker is prathama pada or Vishwa.

Taijasa bhoga: Sukshma bhokta or pravivikta bhuk is the dreamer, not in contact with physical world. His contact is with intangible world of dreams. In dream, they become tangible.

The dreamer cannot contact the gross material universe because to do so, sense organs must be available. The tangible, material world goes away from the dreamer. The dreamer sees dream mountain, rivers, etc., that are thoughts which were in the subconscious mind in the form of vasanas. The vasanas

registered in the mind come out in dream. Thus the dream is subtle vasana-based universe. The dreamer is the experiencer of the subtle thought world.

Prajna bhoga: or ananda Bhuk is one who enjoys ananda with all divisions removed.

The waker and the dreamer have pleasurable and painful experiences but the sleeper always experiences happiness. During sleep state all the koshas (sheaths)

except the vital sheath and the bliss sheath are resolved. The vital sheath is operating keeping the body

alive. In this state all emotions and thoughts are resolved. Only body exists in an undisturbed condition.

In this state the atmananda, which is the original nature of atma gets reflected in the calm mind that is

resolved in the causal body. The sleeper is the experiencer of the reflected bliss.

There is no more a localized person. Why do we welcome sleep? Why do we prepare our bed, because, we love sleep very much. We hate getting out of sleep. This is a universal experience, in all yugas, in all conditions. In sleep, we are in advaitam hence the reason for our love. Where there is dvaitam there are problems. Thus, we all have got advaita anubhava. Our problem is, we don't realize that it is our real state.

One philosopher said," You are not a human being seeking spiritual experience; rather you are a spiritual being who temporarily has a human experience."

Thus, there are three bhogams of Sthula, Suskhma and Ananda.

Karika # 4: Tripti Trayam:

□ □ □ □ □ □ □ □ □ □ □ □ □ □ □ □ □ □ □ □ □ □ □ □ □ □ □ □ □ □ □ □ □ □ □ □ □

ಗ್ರಹಣಾತ್ಮಕ ವಸ್ತು ಗ್ರಹಣಾತ್ಮಕ ವಸ್ತು ಗ್ರಹಣಾತ್ಮಕ ವಸ್ತು ಗ್ರಹಣಾತ್ಮಕ ವಸ್ತು ಗ್ರಹಣಾತ್ಮಕ ವಸ್ತು

The gross objects satisfy the Viswa, whereas the subtle objects satisfy the Taijasa, while the bliss satisfies the Prajna, Thus the bliss is threefold.

Three types of tarpanam are described here. Tarpanam means pleasing; it is not just offerings to ancestors.

Sthula vastus of waking state please Vishwa in the Waker "I". Shabda, sparsha, rupa, rasa and gandha are all to please Me alone. Sthulam Vishwan Tarpayate. So, gross universe entertains Waker.

Pravikthabhuk Taijasa Tarpayate. Sukshma vastu are mentally projected objects in dream. Dreamer only wants the objects in the dream state; thus, he wants dream water not waking water. Let us keep in mind that waking state is also a projected state alone. The subtle, dream universe entertains the dreamer.

Anandaha karanam tarpayate.

In Anandaha there is no differentiation. As long as there is dvaitam between food and you there is no ananda. Thus, if food is placed in front of you and you are asked to wait, you don't like it. But when food is placed and you start eating there is no more duality, it is advaitam as you and food become one and this causes ananda. This ananda pleases the sleeper. The reflected happiness entertains the sleeper.

This is tripti trayam.

Take Away:

I am usually playing the role of Waker, Sleeper, Dreamer or Turiyam.

Only by knowing my role-free nature, will I know myself. It is like, once you remove nama and rupa, both wave and ocean end

up being just water.

With Best Wishes,

Ram Ramaswamy

Baghawat Geeta, Class 126: Chapter 9, Verses 27 to 30

Shloka # 27:

ॐ नमो भगवते वासुदेवाय ॥
ॐ नमो भगवते वासुदेवाय ॥ ९.२७ ॥

Whatever you do, eat, sacrifice, offer as gift, perform as austerility, O Arjuna! do all this as a dedication to Me.

Continuing his talk on chapter 9, Swamiji said, from shloka # 21 to # 29 Sri Krishna is dealing with topic of Sakama and Nishkama bhakti. He is not against Sakama Bhakti. It is not a papa karma or nishedha karma. It does not bring a person down spiritually. It only happens to be an obstacle to spiritual

progress. Thus Karma itself is divided into three types:

1. Satvika Karma: that takes one up spiritually.
2. Tamasic karma: That takes one down spiritually.
3. Rajasic karma: It does not take one up or down spiritually. It will keep him in spiritual stagnation. It gives only material benefits but that becomes an obstacle to spiritual growth. Sakama Karma falls under Rajasic Karma.

Swamiji says, people ask him, “ I am doing puja and practice vows for obtaining certain things in life.”

Sri Krishna does not say that one should drop all of them; all of a sudden. The aim is a very gradual transformation; the negative Nishidha karma should be dropped straight away; papa karmas should be dropped straight away; but kama karma should be gradually reduced.

A Grihastha has a lot of obstacles in life and he will have a tendency to approach God for favors. He will have to gradually change to Nishkama karma. Nishkama karma is freedom from materialistic desires; however, even here spiritual desires do exist. Seeking help for spiritual growth is Nishkama. The motive behind the asking is important here. Even asking for wealth can be spiritual. Asking for money for pancha maha yagna is nishkama. Thus, our motives decide if the desire is Sakama or Nishkama.

In Sakama bhakti there are strict rules of worship that have to be followed else results may not be favorable.

So, when two people who like each other, meet; there is no formality. Only when there is distance, you need to follow protocol. So for a mumukshu bhaktha, the bhakti for the Lord is of a different dimension. Here rules are secondary. As Sri Krishna says, patram pushpam phalam toyam, give whatever you like. In this regard, in Mahabharata, they tell the story of how Vidura removed the banana and gave the banana peel to the

Lord.

Shankaracharya tells in shivanandalahari, how Kannappa, the greatest devotee, used the chappal to mark the eye. He used the mouth as Abhisheka patram and straightway spat the water; his chewed food he gave to god as offering. He is considered one of the greatest bhakta's of all times.

And not only is nishkama bhakthi expressed in the form of specific puja; nishkama bhakthi is expressed in the form of a very different lifestyle itself; it is not a mere patram pushpam phalam samarpanam; nishkama bhakthi transforms the very way of life. How does it transform; every action becomes an offering at feet of Lord. Feet of lord here means the entire creation, which consists of the laws of creation. There karmas become karma phalams or Ishwara prasadam.

For a nishkama bhaktha; there cannot be any concern; there cannot be any anxiety, anxiety comes **when I am particular about only a type of future result; any other type of future result, I will not accept. So when there is a resistance with regard to a particular outcome in future, there is concern, anxiety; for a nishkama bhaktha; whatever comes, is welcome.** And therefore, he considers everything he does as Ishwara Arapanam (as a Karta) and everything he receives as Ishwara prasadam (as a Bhokta). This is nishkama bhakti.

This should remind us of a topic we studied in chapters 2 and 3, namely Karma Yoga. Sri Krishna said Karma Yoga is Ishwara arpana bhavana and Ishwara prasada bhavana. **So, Karma Yoga is identical to Nishkama bhakti. They are synonymous.**

Then why these two different names; from the stand point of action, it is called karma yoga; and from the standpoint of the attitude, it is called nishkama bhakthi;

Therefore for nishkama bhakthi; a temple is not required; shrine is not required; you can practice it anywhere; this thought is important. Up to this we saw in the last class.

Shloka # 28:

तुल्यं कर्मफलं कुरु कर्मणा न त्वं भवसि बन्धनम् ।
तुल्यं कर्मफलं कुरु कर्मणा न त्वं भवसि बन्धनम् ॥9.28॥

Thus will you be released from the bonds of works with their fruits, good or evil. Liberated, with the Self integrated by the Yoga of renunciation, you will come to Me.

What is the result of Nishkama bhakti?

Every karma or puja can give two types of punyam. First is materialistic punyam; material well-being can include money, people, house and even going to swarga. Second is spiritual punyam where you are born in a spiritual family. A rich country may have material benefits, but in a poor country you may obtain a spiritual culture. One may get opportunity to study the shastras. One may get a Guru.

Thus we have to choose the result we want from puja. A Nishkama bhakta converts all his bhakti to spiritual punyam. He transcends both punyam and papam. Why is there no papam; because in nishkama bhakti there is no papam. How can one transcend punyam? Sri Krishna says both papam and punyam are bonds. Moksham is going beyond papam and punyam. Such a nishkama bhakta is given a title by Sri Krishna. He calls him, Sanyasa Yoga Yukta Atma. What does it mean?

Sanyasa is renunciation. How so? He is able to renounce materialistic desires and use puja for spiritual growth. So, kama tyaga makes him a renunciate. **If we drop anxiety for material things, you have renunciation.** He is able to drop obsession with money.

Insecurity is a problem of the mind and not about the possessions you have. A man with minimum of things can be very secure while another with many things may be totally insecure.

Why Yoga? Yoga here means action. He is not associated with

materialistic desires. He is interested in inner growth. Such a Yogi will be liberated. How so? Does it mean he does not require Gyana Yoga?

Karma yogi gets his moksha only through gyana yoga. Through karma yoga he gets purity of mind, then obtains a Guru and then Gyanam. He then merges with Me. What is merger?

Bhagawan is never away from me. Merger is dropping the misconception that Lord is away from me. This is Ishwara Aikyam. And how do you drop any notion or misconception; by knowledge; So the moment I get knowledge, the wrong thought that God is away from me goes away; I come to know that God is close; one can even say, God is closest; or even go further and say, that I am God; Aham brahmasmi; this distance, notional distance, also goes away; so he will attain Me.

Shloka # 29:

सर्वेषां सर्वेष्वपि मम समोऽस्मि सर्वेषु समः
सर्वेषां सर्वेष्वपि मम समोऽस्मि सर्वेषु समः 9.29

Towards all beings I am the same; I hate none, nor hold any dear. Those who worship Me with devotion live in Me and I in them.

In previous shloka Sri Krishna said nishkama bhakta will merge in Me. This statement implies sakama bahkta will not merge into Me; hearing this a doubt may come up, if God is partial?

A bhakta used to ask, “ I want to merge with you”. He would not go away from the temple. The pujari could not close the temple. He tried a tactic. He stood behind the God’s idol, hidden, and said, “Oh dear Bhaktha; I am satisfied with your bhakthi; so I am going to fulfill your wish; when you come tomorrow I will take you unto me; you will not return back home”; next day, there was no sight of the bhaktha anywhere around.

Sri Krishna says, "I am not the one who decides whether you get moksha or not; the real problem is that most people don't want moksha."

Swamiji said, during a sadhana camp he announced he was willing to give moksha to anyone who stayed in the ashram. Everybody gave some excuse or other not to stay in ashram. Not one person came forward. Sri Krishna says, you are just not interested; I am the same with every being; I am not partial to anyone.

Shankaracharya says in Soundarya lahiri that the moonlight falls equally on a beautiful house as well as a dirty pond. Grace of god is equal to all. The difference is how much we can tap into it; one's efforts decide how much we can tap into it.

Thus, when you are building a house; you are building the walls; and within the walls space is available. primarily you are interested in the inside space; primarily you are interested in the living room; you want the space only; but you need not work for the enclosed space; you have to work only for building the wall; After building the wall, you need not invite space separately, as even as wall is built, enclosed space is available; similarly Ishvara kripa need not be separately invited; when you put forth your effort, the grace is automatically included in that.

Sri Krishna says, the more the effort the more Kripa you get. I don't hate anyone. I don't have favorites.

If this is so, why do only a few obtain liberation?

Sri Krishna says it is due to choice of the bhaktas. Moksha is determined by your will and choice. So those Viveki's who seek Me as goal, (sadhana sampanna adhikari), one whose goal is God through nishkama bhakti, they are already existing in Me and I in them. We are one and same; we are not separate. So moksha is attained through your choice.

Shloka # 30:

0000 0000000000000000 0000 000000000000
 00000000 0 000000000 0000000000000000 00 0000**9.30**00

Despite his extremely wicked conduct, if a man worships Me exclusively he must indeed be deemed worthy; for his resolution is right.

With previous shloka comparison and contrast of sakama nishkama bhakti is completed. It started from shloka # 20 and ended with shloka # 29. Now in first portion of shlokas 30 to 34 Sri Krishna is talking about the glory of Bhakti. Bhakti is a sadhana that can be started at any stage in life. Gyana Yoga needs a lot of preparatory disciplines. Bhakti does not require any preparation.

Bhakti's first stage is arthabhakti, here, when you are afraid, you pray to God. It simply works. Through his prayer Bhakta develops the confidence that he can handle the situation, whatever it is. Even a materialistic bhakti can start it. Depending on one's spiritual evolution, anyone can start bhakti.

In Chapter 12 Sri Krishna divides bhakti into five levels. One can start from highest level, if not go to next and so on down. Bhakti can be started by anyone. If his intellect is not sharp he can start with Eka Rupa Bhakti and then move to higher levels such as Aneka rupa bhakti and Arupa Bhakti.

Another important point is every human being suffers guilt from feeling, " I have done a lot of papams". Even a thief knows that stealing is wrong. That is why he does it in stealth. Therefore conscience is common sense based right-wrong norm. And this conscience, which is a common sense based norm, will always judge my action; our conscience is judging constantly and forming self-opinion; thus, most of the time, we are aware of only our mistakes that we have committed; and this produces lot of guilt. That is why in

every religion there is confession. Guilt can be a problem. He may feel I can't take to spiritual path due to guilt.

And even in spiritual path, guilt can be a problem; I can always conclude, I cannot follow the spiritual path, and even if I follow I will not succeed. That is why in the 6th chapter it is said that we require four kripas; they are atma kripa; grace of oneself; Ishvara kripa is required; guru kripa is required; Shashtra kripa is required; And what is atma kripa; it is a guilt free mind; which is confidence; **Even if I have done mistake, I can correct and grow spiritually; because every saint has a past; and every sinner has a future.** So why should I feel bad; and this mind has got atma kripa. So your grace is a mind, which is confident; and therefore Sri Krishna wants to pump confidence into every student. Do not say that you cannot do it; please say you can; therefore he says, even the worst sinner can come to bhakthi with confidence;

Even he need not be worried if he comes to Me, without any wavering in the mind; with total surrender, if that person comes, the day he has decided to change, he is as good as a saint.

Dayananda swamiji beautifully says: nobody can change another person. I can never change you. But if you have decided to change, nobody can stop it; it will happen; I can assist you, if you have decided to change; this is the principle. And therefore Sri Krishna says a person who has decided he is as good as a saint. Even though he has only decided; the very decision is a turning point in his life; as somebody nicely said; it is not where you stand that matters; it is in which direction you are standing; that matters. Are you walking towards Me or walking away from Me. Therefore direction is more important; not the actual location; So never compare with others; be proud that you are in the right direction;

The direction is more important. He has re-oriented his life. So have confidence and start bhakti.

Take away:

When I am particular about only a type of future result; and don't accept any other future result, it shows there is resistance to anything other than a particular outcome in future, resulting in stress and anxiety. However, a nishkama bhaktha welcomes and accepts whatever comes in the future as such he is free from all stress and anxiety.

When we drop our anxiety for possession for material things, we have renunciation.

Insecurity is a problem of the mind and not about the possessions you have.

Even the worst sinner if he comes to Me, without any wavering in the mind; with total surrender, if that person comes, the day he has decided to change, he is as good as a saint.

With Best Wishes,

Ram Ramaswamy

Baghawat Geeta, Class 124:

Chapter 9, Verses 20 – 23

सर्वविदोऽपि सन् सर्वं कर्तुमर्हन्
सर्वविदोऽपि सन् सर्वं कर्तुमर्हन्
सर्वविदोऽपि सन् सर्वं कर्तुमर्हन्
सर्वविदोऽपि सन् सर्वं कर्तुमर्हन् 9.20

Conversant with the lore of the triple Vedic texts, drinkers of soma-juice, cleansed of sins, crave attainment after having sacrificed unto Me. They reach the meritorious world of Indra and enjoy there devine felicities.

Continuing his talk on chapter 9, Swamiji said, having talked about bhakti in general as a means of moksha, now Sri Krishna is talking about two types of Bhakti: Sakama bhakti and Nishkama bhakti. Both Bhaktis were discussed in chapter # 7 as well. In Chapter # 7 Bhakti was classified in three broad types: Manda Bhakti, Madhyama bhakti and Uttama Bhakti. Manda Bhakti is when person is looking at God for worldly benefits such as health, wealth etc. Here God is considered Sadhanam and things obtained by worshipping God are considered Sadhyam. It is the lowest form of Bhakti. Here I love God not for his sake but for some material gain.

When somebody loves me for the sake of borrowing money from me, and as long as I lend money, he loves me, he says you are Indra, Chandra, great swami, whatever it is; and I wanted to test that person and stop giving money, and gradually the friendship also is broken; his love is also broken. Now you ask the question, did that person love me for my sake, or for the sake of money? So when I have money, somebody loves; when I have no money, the same people do not love; then it is very clear that they love money, rather than me. This is simple anvayavyathireka logic; did he love my money or me? It is very clear; people love money and not me.

Similarly when I love God for worldly benefits, it is an incidental love of God. Here God is only a means; hence it is Sakama Bhakti.

As he matures he realizes God as superior to all worldly things one can obtain and with this his attitude changes. Now I love God as an end itself. Now God is the end and world the means to the end. This radical change is Madhyama Bhakti or Nishkama Bhakti; here I don't ask for anything worldly.

Uttama Bhakti: In madhyama bhakti God is an end and love of god is superior to love of world because the world is means, God is the end; love for the end, is certainly superior to the love for the means.

But Vedanta goes one step further; it asks why do you love god; why not money or something else? Your answer is that goal of God makes me happy.

So why does a devotee desire to attain God?

Because I love the goal; not for the sake of the goal itself; I love the goal, for the sake of myself only; If the goal will not give me happiness; then what will I do; change the goal. So therefore, as long as you see Lord as the goal; certainly you love God; but that love of God is also lesser than the love for oneself.

So superior to love of a goal is love of him Self. I love goal for love of my own self. You do love God, but it is lesser than love for one's self. Thus, love for the end is greater than one for the means.

It is a beautiful approach; you have to meditate on this idea; love for the end is superior to the love for the means; and love for oneself is superior to the love for

the end, because I love the end for whose sake; not for the sake of the end; but for the sake of myself; **and therefore in**

the highest level of bhakthi; God is neither the means nor the end, I have to discover God as myself.

And when God and self becomes identical; the love or devotion has reached the climax, which is called advaita bhakthi; abheda bhakthi; para bhakthi; Gyana bhakthi.

This Sri Krishna talked about in the 7th chapter as well.

Arjuna! all types of all kinds of devotees are certainly great; but the greatest devotee is that Gyani who is none other than myself.

So therefore, what are the three levels that we have to go through; first God is the means called sakama bhakthi; then God is the end, which is called nishkama bhakthi; and thereafter God is myself; which is advaita bhakthi.

Sri Krishna says the greatest Bhakti is I myself.

All three are great bhaktas. They have performed yagnas and had soma as a part of prasada and are thus free from papam and acquire a lot of punyam. To them God is willing to give anything. But these people pray for swarga phalam and God has no choice. What you get in life is not due to God. He does not choose what he should give. What ever you want, you ask. So, you choose your own desires. You are responsible for your own lot. Thus, these people, instead of seeking God seek swarga. Citing an example:

It is like a baby whom when we offer a gold biscuit and a real biscuit; real biscuit meaning edible biscuit; now the baby will ask for the edible biscuit; it will ask

what can I do with the gold biscuit; poor child does not know that gold biscuit can buy millions of edible biscuits; this is called nithya anitya vasthu vivekah nasthi.

So, God gives blessing of swarga and the blessing of moksha is lost to devotee. Therefore, Sakama bhaktas, (manda bhaktas), reach the world of Indra, a heaven full of sense pleasures and they enjoy them. Listening to it, it looks like the sakama bhakta made the right choice after all. Sri Krishna has more to say on that topic.

Shloka # 21:

00 00 00000000 0000000000 000000
 000000 000000 0000000000 00000000
 00 00000000000000000000
 000000 000000 00000000**9.21**00

Having enjoyed the vast world of heaven, their merit spent, they enter the world of mortals. Thus conforming to the law of the three Vedas and desiring objects of pleasure, they achieve movements to and from (heaven).

Sri Krishna says their choice of swarga superficially looks good. They will enjoy heavenly pleasures for a long time. They will get pleasures of all Gods. Deva loka is very large. This is the bright side of Sakama Bhakti. What is its negative side? This Swarga Loka is only given for the punyam earned through many karmas, as such, it is limited and not infinite. One cannot earn Punyam in Swarga loka. Swarga is Abhoga Bhumi; it is not Karma Bhumi. One day all punyam will get exhausted and one will come back to Madras with all its mosquitoes.

Mundaka Upanishad says, even return to manushya loka is not guaranteed. It depends on one's past karmas.

So, what? When any object which gives joy by association; the very same object gives sorrow because of dissociation; it is very natural; if you are watching a movie; very interesting one; and in the middle, the current goes; you do not have generator also; now even they have that; now if you have generator, suppose generator also goes; you get so wild; and your anger is directly proportional to the enjoyment that you

derive

But the mind is such that having enjoyed something, it cannot settle for anything lesser than that, and therefore the withdrawal symptom as it is called is extremely painful. Therefore they come back to the dukha lokam.

Sri Krishna says, every Samsari is like an addict; does karma; enjoys; loses everything; again does karma; enjoys; loses everything; karma, phalam, janma, again karma, phalam, janma; karma phalam janma. Thus, bhaktas continue their cycle of life and death.

Therefore, in this manner; those people who follow the ritualistic portion of the vedas; the karma kanda portion of the vedas and with an aim of pure enjoyment, sensory enjoyment, worldly pleasures, such people do all the pooja, etc. but use punyam earned for the sake of the perishable pleasures.

Consequence is that they go to Swarga Loka and come back to Bhu Loka and this goes on, back and forth. **All earnings of punyam and papam are possible only in Bhu Loka. All other 13 Lokas are meant only for exhausting them, the lower lokas for papam and higher lokas for punyam.** This is the autobiography of a Samsari.

Shloka # 22:

ॐ नमो भगवते वासुदेवाय ।
ॐ नमो भगवते वासुदेवाय । ॐ नमो भगवते वासुदेवाय ॥ १.२२ ॥

To men who exclusively meditate on Me and elaborately worship Me, who apply themselves incessantly (to meditation), I bring prosperity and security.

In last two shlokas Sri Krishna talked about Manda Bhakti as Sakama Bhakti. In this important shloka now, Nishkama bhakti is being described. Here God is end of all endeavors.

When God is the end, love for God is superior. Our mind is always obsessed with the end rather than the means. It is like travelling to Delhi. While you buy the rail ticket, you travel in train for several days, you go through all experiences; your goal of reaching Delhi remains unchanged. Or like building a house, you go through a whole process of buying the land, hiring a contractor and going through the process of building the house, all the time keeping the end goal of house in mind.

Similarly here also; in the case of madhyma bhaktha; he does all the worldly transactions; but the absorbed in the ultimate goal of his life; that is called Bhagavan in puranic language; that is called moksha in vedantic language; that is called theevra mumukshatvam in vedantic language; that is called Jignasu bhakthi in the 7th chapter language.

Transactions go on but goal is fixed. So for Nishkama bhakta his goal is God and it displaces all other objectives from my mind. While I perform all transactions, my mind is in God.

This is ananya bhakti. Here mind is absorbed in God. Other goals of life are not ignored. But they are at a subdued level; god alone predominates.

Absorption in God does not mean disregard to one's family duties. Their goal is moksha. What about worries of worldly life?

Earning, supporting or Yoga (acquiring) and Kshema (protection), or acquisitions and preservations, we continue to perform these two without thinking of anything else. Sri Krishna says no human can ever provide total Yoga Kshema as everything in universe is insecure.

Thinking I can provide perfect security is the biggest myth; so fill the gap by surrendering to God. It does not mean you have to give up responsibility. Where is the limit to security? One can take care as much as possible and leave rest

to God; this way mind is available to the beyond yoga and kshema. Is God reliable; is a question that may come up? We know humans are not. Sri Krishna says I am the real and only security. I will take care of your yoga and kshema under one condition. The condition is being committed to Me completely. They are called Jigyasu or Madhyama bhaktas. Normally a Grihastha should feel secure while Sanyasi should worry, as he has no one to help him. Security is not based upon external possessions; it is based upon internal mindset.

It is like I telling you that I will give you Rs.10 loan if you give me Rs.10 now; Then, we will happily live; remember two beggars cannot depend on each other; two insecure members can't give each other security. The ever-secure entity is God and he alone can give you security. Sri Krishna says if you trust Me, you will be secure.

Shloka # 23:

ॐ नमो भगवते वासुदेवाय ॥ श्रीकृष्ण उवाच ॥
अन्येषां भक्त्या मे भजतेऽपि नान्यथा ॥ १.२३ ॥

Those also who are the devotees of other divinities, who worship them with faith, are worshipping Me only, Arjuna! but not according to Vedic injunctions.

In previous shlokas Sri Krishna said Nishkama bhakta's are those who worship Me. Does every seeker of moksha have to worship Sri Krishna alone? Can he worship other Gods? Sri Krishna clarifies this here. It was also clarified in chapter # 7 before.

Any form of god is finite. Form is finite. Thus Krishna form, Shiva form all are finite. In any form we can invoke infinite power. So, value of deity, depends on our invocation.

I gave you an example as to which check leaf is superior? Remember, the value of a check leaf; depends upon what you write on it, until then all leafs are of equal value; provided

the money is in the bank; of course; similarly here also all the devathas are equal;

But when I invoke infinite in the form, he becomes infinite. In Bhagawad Gita, Sri Krishna is the infinite.

Take away:

You do love God, but it is lesser than love for one's self.

And, therefore, in the highest level of bhakthi, God is neither the means nor the end; I have to discover God as myself.

And when God and self becomes identical; the love or devotion has reached the climax, which is called advaita bhakthi.

All earnings of punyam and papam are possible only in Bhu Loka. All other 13 Lokas are meant only for exhausting them; the lower lokas for papam and higher lokas for punyam.

With Best Wishes,

Ram Ramaswamy
